***7 Days and Nights in Havana, Cuba Departing from Miami, FL***

We are traveling under a people to people exchange. This is a legal trip to Cuba based on today's availability of traveling to Cuba under the Embargo and the rules and regulations with the US Department of The Treasury. You will experience the sights, sounds & flavors of historic Cuba plus Salsa Dancing where it was born & raised ! You will enjoy many hours of dancing throughout the week and workshops on several days with great professionals -- both U.S. & Cuban Instructors. We are going to Cuba !

Dancing & Workshops -- Salsa, Bachata, Merengue, Cha Cha, and Casino Rueda and More
